- Three bedrooms
- Recently installed wet shower room
- Gas central heating
- Double glazing

EPC Rating - C

OFFERS OVER £325,000

Description

Forming part of an established development opposite Corstorphine Hill, this excellent three bedroom terraced villa offers ideal family accommodation and is approached via a pedestrian pathway with vehicle access to the rear. Flooded with light by two large picture windows, the open plan sitting and dining room offer plenty of space for family and friends and lead through to the superb brand new kitchen which comes complete with integrated induction hob, oven, dishwasher and washing machine. A rear porch leads out to the rear garden and the garage. Upstairs, there are three comfortable bedrooms and a recently installed wet shower room. A large attic offers future conversion potential (subject of course to the necessary permissions etc.). Additional benefits include gas central heating and double glazing.

Area

Corstorphine is a desirable residential area of the capital lying to the north west of the city. Princes Street and the city centre (approximately 4 miles) are readily accessible via regular public transport services and, in the opposite direction, the city by-pass, central motorway network and Edinburgh International Airport are all within a short drive. Corstorphine itself boasts one of the city's most comprehensive suburban shopping centres, with the Gyle Shopping Centre and Hermiston Gait also within close proximity. Small speciality shops and a variety of high street stores are all represented. There are large branches of Marks & Spencer, Tesco, Morrisons and Sainsbury's all nearby. Edinburgh Business Park and the Royal Bank Headquarters at Gogar are readily accessible. Leisure options are plentiful and diverse. Cafes, restaurants, a casino, several golf clubs and a David Lloyd Leisure Centre, as well as the Drum Brae Leisure Centre and Swimming Pool, the Drum Brae Library Hub and the lovely open spaces of Cammo Estate and Corstorphine Hill, are to name but a few. There are several local access points to the city's cycle path network. The local schools have an excellent academic reputation and a number of the city's privates schools are just a short bus journey away.
