Description

Particularly pleasantly located within a quiet leafy courtyard, this significantly upgraded terraced villa offers spacious and flexible family accommodation over two levels extending to around 1162 square feet. The entrance porch is a handy space for shoes and coats and leads through to the welcoming hall. The open plan living room falls quite naturally into sitting and dining areas with a living flame fire providing a warming focal point. Glazed doors in the dining area lead through to the large Conservatory offering additional flexible living space and extending the seasonal use of the garden. The superb contemporary kitchen is both stylish and practical and there is also a ground floor WC. Upstairs, a galleried landing leads to three comfortable bedrooms, plus a nursery bedroom or study. The stunning new shower room is fully tiled. Additional benefits include gas central heating and double glazing. The rear garden is fully enclosed providing a safe play area for young children and is the perfect space to enjoy long summer evenings. A large single garage is located adjacent to the courtyard.

Area

This stunning terraced villa is enviably situated within a desirable area on the south western outskirts of the City. Bordered by the historic conservation village of Colinton itself, Colinton Dell and by the Pentland Hills Regional Park, the setting is leafy and residential, yet the City Centre is readily accessible by car (approximately 15/20 minutes) or via one of the many and frequent bus services which pass through the area. In the opposite direction, the Gyle Shopping Centre/Hermiston Gait may be reached within 10 minutes (depending on traffic conditions), as can Edinburgh Business Park, The Royal Bank Headquarters at Gogar, Heriot Watt and Napier Universities, Edinburgh International Airport and the central motorway network via the city bypass. The village itself offers a delightful array of small speciality shops, a gastropub, a restaurant, a post office and medical centre, all within a few minutes. The local schools have a high academic reputation and many of the capital's finest private schools including Merchiston Castle and George Watson's college are readily accessible. The out-of-doors enthusiast will be delighted by proximity to the meandering paths through Colinton Dell, several golf courses and the wonderful open spaces of the Pentland Hills Regional Park.
