Tomintoul

Tomintoul is the Eastern Gateway to the Cairngorms National Park and has the reputation of being the highest village in the Highlands at 1165 ft (350m) centred round a picturesque square and situated near the Lecht Ski Resort Centre on the scenic route between Grantown on Spey and Royal Deeside. It is the largest village in the Glenlivet area supporting B&B's, a post office and general stores, art studios, craft, gift and malt whisky shops.

Tomintoul also has its own distillery, "the Tomintoul", which made the Guinness Book of Records for producing "The Largest Bottle of Scotch Whisky in The World" - at 105.3 litres. There are also three more stills, "The Tamnavulin", "The Braeval" and "The Glenlivet" within a few miles.

The area is surrounded by the mountain ranges of the Cromdales, the Ladder Hills and the Cairngorms, facilitating spectacular views, walks and other outdoor pursuits, including wildlife appreciation, salmon and trout fishing on the nearby River Avon, mountain biking on many trails and nearby bike Glenlivet and hill walking a plenty.

The nearby Lecht Ski Centre 2090 provides winter sports and in the summer has quad biking and go-carts.

Transport Links

Located in the heart of the Highlands, Tomintoul offers a number of convenient travel options for local, regional, and international travel.

Road: Tomintoul is well-connected via road with the A939, a major scenic route running through Speyside, providing easy access to both Aberdeen to the east and Inverness to the north.

Air: The nearest airports are Inverness Airport (approximately 43 miles away) and Aberdeen International Airport (approximately 56 miles away), offering both domestic and international flights.

Rail: The nearest railway station is Aviemore (around 27 miles away), which is on the main line from Inverness to London, providing connections to major cities across the UK.
